Freshmen Win Baseball Tilt, Class Day Cup

Singing Trophy Won By Sophs; Tribute Paid To Prof. Shute

By Carl Peterson

The award of the class-day trophy to the "pea green freshmen" climaxed moving-up day ceremonies Wednesday. Opening ceremonies in the chapel included the awarding of prizes for scholastic achievement, tapping of men for Pentagon, and an address by Willard Thorpe, '20, on the life of Azel Backus, first president of Hamilton college.

Later in the day, the faculty-student softball game and interclass competitions in golf, softball, and choral singing were held. In the informal convocation in the evening, the class sing and class-day trophies were awarded and intramural trophies were presented to the winning fraternities. Special tribute was paid to Professor Berrian R. Shute by Jim Brown, who presented him with an engraved plate on behalf of the members of the 1949-1950 Hamilton College Choir as a token of their appreciation for Mr. Shute's efforts during the past year.

Frosh Teams Clinch Cup

The reason for the Freshman victory was apparent in the inter-class athletics throughout the day. They defeated the Seniors in golf 4½ —3½ after downing the Juniors in the preliminaries, and edged the Senior Class in softball 4-2. The Freshmen rounded out the day by taking second in tennis, losing to the Sophomores 3-2 after defeating the Juniors in previous sets.

The faculty trounced the students in softball 15-7, rolling up a lead in the first three innings which the students were never able to overcome.

In the presentation ceremonies in the evening, the Sophomores choral group, under the direction of Laury Gullick, was awarded the class-sing trophy, with Juniors and Freshmen placing second and third respectively. The presentation was made by Dr. Saunders. The Class-day trophy was accepted from Dr. McEwen by Tug Pfaltz on behalf of the freshmen class.

Intra-mural plaques were awarded to the following fraternities: football-Lambda Chi Alpha; volleyball-Delta Upsilon; bowling-Sigma Phi; swimming-Sigma Phi; hockey-Sigma Phi, basketball-Alpha Delta Phi; and track-Psi Upsilon. In addition special awards for excellence in intra-mural sports were made to Rick Miller for handball, and Tom Gregory in golf.

G. Rohman Resigns To Work For O. D.

D. Gordon Rohman resigned as secretary of the Public Relations Department Monday to accept a position on the staff of the *Utica Observer-Dispatch.*

Rohman will work at the Copy Desk, but will continue to work evenings in the Public Relations office in the basement of Buttrick Hall until Commencement, ater which he will devote full time to the Utica paper.

Graduating Phi Beta Kappa from Syracuse in 1948, Rohman spent the next year working on an informal history of Whitesboro, his home town. The product, published by Stratford House in 1949 is entitled *Here's Whitesboro.* He is also historian of that town.

During the five months as secretary to George S. Tillman, Public Relations Director, Rohman has written news stories for local papers, helped compile material for the *Alumni Review,* and written class notes for that magazine, in addition to his regular clerical jobs.

Senior Honor Society Chooses Five Men

Pentagon Elects Brown, Luers, Crump, Kaufmann, del Vayo To Membership

By Dave White

The members of Pentagon for the past year chose their successors at last Wednesday's Class and Charter Day Assembly.

Tapped for the senior honor society during the impressive Pentagon ceremony were Bill Kaufmann, Jim Brown, Diego del Vayo, Gallie Crump, and Bill Luers. Three of these men, Brown, Crump, and Luers, will serve as presidents of their respective fraternities next year.

Jim Brown will preside over Psi Upsilon, and is also president of the senior class of 1951. He is a member of the Student Council, ex officio. Jim played varsity football and basketball, was president of the choir, and a member of the Chapel Board during the past semester.

Bill Luers Selected

Bill Luers, who is the author of the social tax plan now before the student body for consideration, was elected president of Alpha Delta Phi fraternity, Tuesday night. He was a member of the varsity basketball and golf teams, and on the chapel board. He is also ex-president of Was Los.

Gallie Crump, president-elect of Delta Upsilon fraternity, will step into the position of editor-in-chief of *The Suectator,* senior representative to the student council, and secretary-treasurer of the class of '51. The chairman of this year's Junior Variety Show, he has been set designer and production manager of the Charlatans, and is secretary of the Hamilton chapter of Pi Delta Epsilon.

del Vayo, Kaufmann Tapped

The editor-in-chief of next year's *Continental,* Diego del Vayo, was also named. A member of the *Continental* Literary Board this semester, del Vayo will also be on the Publications Board in the fall.

Completing the 1950 society is Bill Kaufmann of Sigma Phi. Kaufmann received the Captain Gerald Fitzgerald Dale Senior Scholarship with Don Pollock during the class day proceedings prior to his selection for Pentagon.

tagon. He was elected representative at large in the recent student council elections and was later chosen president of next years' council. His name has appeared on the dean's list for three years. Kaufmann is married and has a son.

Mackay Wins Merrill Award

Kaufmann, Pollock Tie For Scholarship

Robertson Mackay was awarded the James Soper Merrill prize as the member of the class of 1950 "who, in character and influence, has best typified the highest ideals of the college," at Class Day ceremonies Wednesday.

Mackay was on the Student Council for two years, and has been a member of all three honor societies. He was President of his class in his Junior Year, and was named to *Who's Who in American Colleges.* Ex-captain of the basketball team, he has also lettered in soccer and golf.

Spectator News Highlights Reviewed

By Tim Hyde, News Editor

The transformation of Alpha Chi into the Chi chapter of Delta Phi highlighted the golden anniversary year of *The Spectator,* as the third in order of establishment of American college fraternities became the tenth national fraternity on the Hill.

Adminstrative changes were headed by the new curriculum, abolishing the group system for the incoming freshmen, and substituting a plan of guided electives. Also in the adminstrative field was the pay raise for faculty members, annonuced October 88. The hike averaged $300 per man, and had the effect of permanently raising the ceiling of each faculty bracket by $300.

Retirement Plan Announced

Announced at the same time was a new plan for retirement at 65 of all faculty members henceforth appointed to permanent tenure. Of more immediate interest to the student body was the new scholarship policy, announced in Wednesday meeting, March 8. The two-fold change provided that while one-half of the scholarship funds will still go to students in the upper half of their class, the remainder will be awarded to students who are "responsible campus citizens."

The Campus Fund Drive, headed by Chairman Bill Hutchison went over the top by 37.7%, with the receipts going to the innovated Hamilton Summer Camp, Athens College, the United Negro Fund, and the World Student Service Fund.

"Human Rights," delivered by Mrs. Eleanor Roosevelt in February, spotlighted that month of Hamilton's 1949-50 season. Well-received by over 1000 students, faculty, and townspeople, this speech paralleled the one on "Our Scale of Loyalties," delivered by Norman Thomas the previous semester, in the arousing of student interest.

April brought the appointment of Professor Boyd C. Patterson to the presidency of his alma mater, Washington and Jefferson, after thirteen years on the Hill.

Charlatans Lauded

Well-deserved orchids have been handed to the Charlatans by *The Spectator* critic Wallace Aitchison three times during the past academic year. Moliere's "Imaginary Invalid" brought the statement that "the Charlatans have made a happy decision in inviting the College to some healthy belly laughs at inflated human infirmity." The four one-act plays were lauded as having "the apparent ease and spontaneity that endow the simply entertaining," while the recent production of "Skin of Our Teeth" brought the term "wonderfully outrageous."

Orchids also must go to the debating team for their excellent record of 67 victories in 104 contests, and to the music department for the superior presentations of Handel's Messiah and the Bach B Minor Mass.

The scholarship policy, the athletic situation, the band, school spirit, fraternities, *The Continental, The Spectator,* all came under the satirical pen of Professor Thomas M. Johnston as his "Heart Throbs of Homer" poked fun at college life in general and Hamilton life in particular, at the annual Faculty party for the Seniors in March.

Chapel Renovated

The renovation of the Chapel interior at the expense of $111,000 was completed in time for the annual Christmas service, conducted by Professor Halford E. Luccock of the Yale Divinity School. The near completion of the organ has recently added to the beauty of the Colonial interior, both visibly and aurally.

The resignation from his Chapel post of Dean Robert R. Wicks on the advice of his doctors in May brought expressions of gratitude from student and faculty alike for what he has done for Hamilton in his three years here.

The defense of Skidmore in the nation-wide corset issue; the long awaited bus decision; the offensive power of the football team and the promise showed by the freshmen backfield men; Will Wilson's snow Carnival; Hell Week, with Democrat Ben Valentine meeting Republican Governor Thomas Dewey; the convocation services of Yale's Doctor Liston Pope, Bowdoin's Professor Edward C. Kirkland, Dr. George H. Shuster of Hunter, and Dr. Ordway Tead of Columbia; and the demise of *The Royal Gaboon* have all contributed toward making *The Spectator's* Golden Anniversary year interesting, both to the editors, and, we hope, to the student body.

College To Award Honorary Degrees

Six New Men Join Faculty

Oxley Replaces Dale As Head Of Geology

The appointments of six new men to the faculty for the coming year were announced early this week by President Robert W. McEwen.

As previously reported in *The Spectator,* Associate Professor Landon G. Rockwell, now Assistant Professor at Williams, will head the Political Science Department, replacing Professor W. Hardy Wickwar, who resigned last fall after a year's leave of absence.

In the English Composition department, Instructor Edwin B. Barrett, now in residence at Columbia where he is a candidate for his doctorate, will replace Mr. Wallace Aitchison. Mr. Barrett, a graduate of Macalester, '43, received his A. M. at the University of Minnesota in 1947.

Curtis Succeeds Arlotto

Mr. Harold O. Curtis, a candidate for his doctorate at Harvard, will succeed Mr. Joseph J. Arlotto as Instructor in Physics. Mr. Arlotto plans to return to graduate school. Mr. Curtis was graduated from Bowdoin in 1947, and took his A. M. at Harvard the following year.

With the retirement of Dr. Nelson C. Dale, Mr. Philip Oxley will head the Geology department as an Assistant Professor. He will be aided by Mr. Cecil J. Schneer, who will be an Instructor in Geology. Mr. Schneer received his A. B. at Harvard in 1943, and his A. M. in '47, and has also been with the United States Geological Service, and served for a year and a half as geologist with the Cerro-dePasco Copper Corporation in South America. He is now an Instructor in Geology at the University of New Hampshire, and a candidate for his doctorate at Harvard.

Gere Heads Math Department

Associate Professor Brewster Gere succeeds Professor Boyd C. Patterson as chairman of the mathematics department. In addition to Dr. Gere and Mr. John P. van Alstyne, Mr. Richard C. Clelland, Hamilton '44, will be added to the department as an Instructor in Mathematics. He received his A. M. at Columbia in 1949, and has taught at Utica College.

With the departure of Mr. Robert B. Lewis, Instructor in Public Speaking, for further work at Harvard graduate school, Mr. John A. Acker, '49, will be added to that department. Mr. Acker is now taking his Master's degree at the University of Rochester.

TKE To Take Over Shute House In Fall

Tau Kappa Epsilon, following Lambda Chi's lead this fall, will move up the Hill this September and occupy the present home of Professor Berrian Shute. The shift will mean that all of Hamilton's fraternities will be permanently located on the Hill.

According to the plans laid down by the Administration and the Board of Trustees, Professor Shute will move to the old North house. Renovation of this building has already begun and will be completed by the time college begins next fall.

The old TKE house will serve as a faculty apartment next year if present plans are completed.

The only other change in fraternity housing that will take place next Fall will be the occupation of the home of the retiring Professor Nelson C. Dale by Delta Phi.

McEwen Reports Nine Noted Men Will Get Honors

By Gregory Drummond

Leroy A. Wilson, President of American Telephone and Telegraph, heads the list of honorary degree candidates at the June commencement exercises. Others on the list released this week by President Robert Ward McEwen include the Right Honorable Lord Woolton, C. H.; Charles Dollard, resident of the Carnegie Corporation of New York; the late Laurence A. Steinhardt; and Earl C. Bastow, Oneida County Supreme Court Justice.

Hamilton alumni scheduled to receive degrees at the exercises are Joseph D. Ibbotson, '90; Joel D. Hunter, '03; Fred H. Haggerson, '08; and H. Ray Eggleston, '12.

He has been with the telephone company since that time, having been elected a director in 1944, and President in 1948. He is a director of several other corporations, including the Chase National Bank, the Metropolitan Life Insurance Company, and

Six Men Honored In Speech Contest

Paganelli of the class of 1953 won first and second prizes, respectively, in the annual McKinney Prize Speaking Contest held at the Alpha Delta Phi Hall Friday evening, May 19.

The juniors, who spoke impromptu, had no announced topics. Speaking extemporaneously, Robinson's first prize subject was *Below the Waterline,* while Wehmeyer's topic was *Iuthanasia Merits Legislation.* Freshmen delivered memorized declamations. Pfaltz spoke on America's *Strongest Secret Weapon,* and Paganelli discussed the *Security Council.*

Other junior contestants were Bruce M. Bowen and Charles E. Doran, Jr., Phillip E. Robinson, Jr. and Robert H. Whitstock also represented the sophomores, while Robert F. Fleissner and Carl W. Peterson were the other freshmen speakers.

Each year four contestants are chosen from each of the three lower classes on the basis of their record in public speaking classes up to the time of appointment. The two sucessful candidates receive book prizes provided from a foundation of $700 donated by Charles McKinney.

Judges for the contest were Profesors George L. Nesbitt, John P. Van Alstyne, David M. Ellis, Mox A. Weber, Wallace B. Johnson, Secretary of the College, and Miss Helen A. Gaffney, Reference and Circulation Librarian. Robert Carson, of the Public Speaking department, introduced the speakers.

Class Day Success

Class spirit must be spontaneous. Wednesday that spontaneity burst forth at Hamilton, to continue, we hope, for many years. Since the war, Hamilton class spirit has noticeably lagged behind that of the fraternities. Wednesday did a great deal to rebuild strong class feeling.

Many who witnessed or participated in Class and Charter Day felt the gradual accumulation of enthusiasm, climaxed by the assembly for awarding prizes held later in the evening.

The culmative drive began in the morning when, gathered in the chapel, the college sang 'Carissima'. Students and faculty stood singing together, many deeply affected. Professor Willard Thorpe's talk on Azel Backus, first Hamilton President, wove the first strands of tradition into the day. The tapping for Pentagon; the singing of 'Carissima'; the faculty-student baseball debacle; the interclass games; the class sing contest; Dr. Percy Saunders marvelously witty talk; and finally the 'rusty' sophomores carrying their victorious singing leader across the quadrangle, finished the pattern. The results proved excellent.

Class and Charter Day at Hamilton, 1950, could well mark the upsurge of healthy class spirit, so vital a part of any college. The credit for success goes *to* you; the responsibility for continuing this success lies *with* you.

Letters to the Editor

Lacrosse . . . Captains

May 22, 1950

To the Editor of *The Spectator*

On behalf of the Hamilton College Lacrosse Club, we would like to express our thanks for the excellent coverage that you have given the team throughout the season. Even though we have been on an informal basis this year, you have treated us as a full varsity sport, and we feel that *The Spectator* has been completely behind us in our attempt to show that lacrosse definitely has a place here at Hamilton. We have sincerely appreciated your support.

We would also like to publicly thank our two managers, John Bagwill and Gus Knight. These men have done many tedious and dirty jobs during the past season for no other reason than to help us out, taking all the common gaff that falls on a manager without any desire for reward. Hamilton could use a few more boys like them, and we are extremely grateful for their efforts.

Lastly, our coach John Panatier deserves a good deal of credit. In one year he has learned lacrosse, zealously coached an informal club, and produced a good club from what last year was considered only left-over material.

To these three men and *The Spectator*—our thanks.

Sincerely,
Jim Sontheimer,
Bill Wilson.

Chapel Bd. . . . Barratt

TO THE EDITOR OF *THE SPECTATOR*:

Those attending the annual dinner of the Chapel Congregation this evening were presented with a "ballot" containing approximately thirty names-twenty from the undergraduate body and ten more from the faculty of the college. At the bottom of the ballot was the simple statement "I APPROVE THE ABOVE SLATE FOR THE CHAPEL BOARD. Signed—." No opportunity for choice, no opportunity for additions, no opportunity for subtractions. Not even, mind you, opportunity to vote against this slate.

In explaining the ballot, Bill Hutchison, this year's chairman of the Chapel Board, asked for the approval by those present of a rule preventing further nominations from the floor. The nominations henceforth, apparently, are to be by the previous board only.—And this in spite of the fact that originally the Chapel Board was created to iron out differences of opinion between the student body and the chapel administration. Henceforth, there will be no more influence, even of the chapel congregation, with the Board.

Perhaps half of those present, voted for the rule, but only four or five—of whom this writer was one—voted against it. Why the abstentions, I wonder?

There have been complaints about Chapel this year; there will probably be more next. Is a board elected as this one was in a postion to give these complaints proper consideration before the chapel administration?

Sincerely yours,
Grant Barratt

May 22, 1950

Ed.—According to our information, the difficulty of providing both democratic procedure and the needed representation under the present Constitution was explained to the members and immediate constitutional revision was promised. The temporary expedient referred to above was then approved, no disscusion offered from the floor. The committee on constitutional revision has been appointed and will report next fall.

Gaboon . . . Aitchison

To the Editor of *The Spectators*

I want to add a few elegiac paragraphs to your recent obituary of the *Gaboon*. The one vote by which it was pronounced dead suggests that this may be another of this year's perplexing series of "mercy killings" and, like its forerunners, possibly ill-advised and certainly liable to investigation.

There was the question of the *Gaboon's* value. Any publication must be judged on its merit alone, but in an apportionment of funds must one publication alone be judged on merit? *The Spectator* may well be more newsworthy when read historically in bound volumes than when scanned casually by the weekly number. *The Hamiltonian*, like any yearbook, is partially doomed to seem an inordinate commencement expense, until say ten years after graduation, when, if it is not buried in a trunk, it becomes a help and pleasure in recalling friends. *The Continental*, with something of "pontifical solemnity," has admirably sought to winnow the classics of student composition, naturally with uneven success. Inevitably all college publications leave much to be desired; their value is that they exist, to awaken and tax the varied abilities of a student body. In offering openings to one more editorial staff, one more business staff, the *Gaboon* was of certain value. By providing problems in lay-out, a demand for artwork, and an urgency for the plain, but currently most marketable, literary style, it was of special value. By directing its readers critically or capriciously to the plus and minus of the life around them, it was of general value. Its total value can at least be placed well above *Meet the Freshmen*, a handy rushweek manual, but contributing nothing to the interest of the college year and demanding nothing of its compositors.

Of course you are right in that "there is a limit to the amount of advertising the *Gaboon* can solicit," but the *Gaboon* obviously solicited its share.

There remains the fundamental requirement of "being funny enough" and student support. What is funny enough? Nothing—certainly not each issue of the *New Yorker*. What is tragic enough? Almost everything. But beware the can of beer drained in the College cemetery; that may be funnier than we think Of student support I cannot speak, but believe students are not cooly disinterested in matters of their self-development. If at its end, any Hamilton "shot-in-the-arm" group ministered to the *Gaboon*, they have perhaps injected the wrong fluid.

Hamilton College
Clinton, New York
Dear Sir:

I read with interest your "Open Letter to Dr. McEwen" in your issue of April twenty-eighth, and even with more interest the replies printed in your issue of May fifth.

Now we alumni have a way of being pretty stuffy and, for some reason, seem to believe that all knowledge rests in men who have been out of college a number of years. Again, it is pretty difficult for those of us who have been away so long to understand what the college is like now. We have a hard time understanding what the world is like. Therefore, I have a very high respect for the opinions of the undergraduates and particularly those who make up an editorial staff.

The Question of Bribes

I understand from the letter from Mr. Moore, Jr., Chairman of the Hamilton College Alumni Council, that the Council has made certain requests of the president. Naturally, not being on the Council, I haven't the slightest idea what these are. I do, however, disagree with him when he decries the use of the words "bribe" and "subsidize." As a matter of cold, hard fact the large proportion of the undergraduate football players of the country *are* bribed and subsidized. It seems a little inane to duck the issue. I might say that a boy is "persuaded" to go to this college or that because he accepts a very healthy scholarship, a weekly salary, a lucrative job, or a certain number of tickets to every stadium game, which he can sell at a high profit. However, by calling it "persuaded" doesn't change the act a bit.

Losses Bad Advertising

I don't know the answer because the longer I live, the less I seem to know. However, I do not think it is good for Hamilton College to be beaten 70-0 by some school which is not a "cow college." It seems to me that is extremely bad advertising and must be terrifically disheartening to the boys who get out and play.

In any event, I think *The Spectator* has grown tremendously in raising the issue, and I have all confidence that Dr. McEwen will lend his real wisdom to the problem.

Cordially,
George S. McMillan, '16

Charlatan Returns

The Charlatans production of "Skin of Our Teeth" was played to a total of 367 spectators in the three-night run last week. Thursday night's sparse crowd of 62 was followed by an audience of 104 on Friday, with Saturday night's house totaling 201.

The SCA will pick up magazines for distribution to Northeast lumber camps on Tuesday afternoon, June 6. Clothes for the Utica Overseas Relief drive will also be collected.

Just about the only public office that a Hamilton man hasn't occupied at one time or another is that of President of the United States.

Now, no particular failing on the part of the college should be attached to this one omission. But it is rather irritating to many of us that arch-rival Union can include Chester A. Arthur among her list of graduates.

Deeply conscious of this unhappy situation, *The Spectator* has delved into the library stacks and discovered a relief for this source of embarrassment to Hamilton College. Grover Cleveland, the 22nd President of the United States, was prevented from matriculating at Hamilton only by the death of his father.

Wished To Go To Hamilton

Speaking at the Clinton Centennial celebration in 1887, Cleveland said, "(Not going to Hamilton is) a disappointment which no lapse of time can alleviate, and a deprivation I have sadly felt with every passing year."

Robert McElroy in his book *Grover Cleveland* claims that, "Hamilton College was the Mecca of Cleveland's dreams." The President's brother, William Cleveland, was a member of the Class of 1851, and one of his sisters married a Hamilton man.

Had Contacts With Hill

It seems that Grover's father was a minister, serving in Clinton as District Secretary of the American Home Missions Society, and that Grover attended the Clinton Liberal Institute, which was situated at the foot of College Hill. Often Hamilton faculty members gathered in his father's home, and the future President himself went to school with men who were later to become Hill professors.

But, in the fall of 1853, the Reverand Mr. Cleveland died, and his 16 year old son was forced to leave home and earn his own living. He went on to read law. and was eventually admitted to the bar without a college education.

But if Grover Cleveland had gone to college, we are sure today that his choice would have been Hamilton.

Rochester Downs Hill 'Nine' After Four Inning Shut-out

Sixth Frame Rally Ruins Hamilton Lead

By John Bailey

For five innings at Rochester last Friday, it looked as if Hamilton's hard-luck nine had unearthed a "cousin," but a 7-run, sixth-frame Yellowjacket explosion wiped out a five run Blue lead and the Continentals went on to drop another one, 10-5.

Rocked by seven solid blows for five runs in the first four innings, winning pitcher Bob Mohlar slammed the door with brilliant one-hit chucking the rest of the way to give Rochester an even break in the home-and-home series.

Losing hurler Bill Galvin had a shutout for four innings, but a hand injury suffered while batting in the second caused him eventually to lose control and to be shelled from the mound in the sixth. Fireman Dave Davis came on during the four-hit, four-walk outburst, but couldn't stem the tide, although hurling respectable ball for the final two frames.

Galvin's Double Scores Two

The visitors got off to a flying start with a three-run, five-hit splurge in the second, and slipshod base-running held down the score. Wood led off with a single, and Steiner beat out a bunt. McKeldin forced Wood at third, but Doyle lined a hit to right. Rounding third, Steiner got half-way home and then scampered back to third, only to find McKeldin there. Stu was tagged out, with Doyle holding at first. A pass to Grant crammed the sacks for Galvin's two-run double to right. Persons slashed a single to center, scoring Grant, but Babcock rolled out to end it.

In the fourth the Blue got two tainted markers to run up their margin to 5-0. Mohlar hit Grant and walked Galvin to set it up. After Person's perfect sacrifice, Babcock bounced to the second baseman whose throw home was in plenty of time to nail Grant. But, Don slammed into Rochester catcher, knocking the ball loose, and Galvin flashed across with the second tally.

Tomorrow on Steuben field Hamilton is out to even up the season's series against Union. The visiting Dutchmen nipped the Blue, 2-1, in ten innings in Schenectady three weeks ago.

Colgate Cancels Game

Having had their game with the Colgate Intramural Champions cancelled last Tuesday, the Hamilton College lacrosse team will conclude their informal season tomorrow afternoon when they play Cortland State Teachers at Cortland.

In their first meeting this year on Steuben Field, the two clubs battled to a 5-5 tie in two overtime periods. On the season, the Continentals have won one, lost two in addition to the deadlock.

College Trackmen Trounce Oswego; End Home Season

By Phil Robinson

Victory at last crowned the efforts of Hamilton College's track team in the final home appearance of the season, last Saturday. Victim of the Blue's landslide was Oswego State, which went down beneath a crushing 102⅔-29⅓ blow.

Dave Palmer added ten points to his year's total and finished as high man for the day on Hamilton's side. Walt Kluge of Oswego State won the two hurdle events to take more than one-third of his team's points.

Hamilton swept the sprints for the day. In the longer distances, Reid nosed out Gumerlock in the 440, while Hastings and DeMaine were piling up points in the mile and two-mile, both with firsts. Meeting their first relay test of the season, the Hamilton squad swept to victory as Reid, Rath, Olwine, and Gumerlock covered the mile in 3:40.2.

Collins Upsets Egner

In the field, John Egner continued his reign as high man of the team for the year by placing first in the shot put and second in the discus. The only Oswego man who could place in all the field events was Cornwall, who tied Henderson and Randall in the pole vault.

Ted Collins, who handed Egner his first defeat of the year in the discus, and Wheeler, who took the high jump, also added firsts in the field. Heinig continued his domination of the javelin while Clair Babcock once again won the broad jump.

Coach Dugan is optimistic about a successful trip to Cortland tomorrow, and the odds are that the squad will return home Saturday night with their second win of the season.

Two JV Clubs Lose To Colgate Freshmen

Colgate's freshman tennis and golf teams captured convincing decisions over the Hamilton College Jayvee squads last Tuesday by scores of 9-0 and 8-1 respectively, at Colgate.

This afternoon, the Continental Juniors faced Manlius on

Along the Sidelines

By Larry Rouillard

Tomorrow afternoon, all the Varsity spring sports' teams will conclude their 1950 seasons. The tennis, golf, and baseball squads will face Union on Steuben Field's facilities while the track team entertains Cortland. Meanwhile, the lacrosse club will clash with Cortland on the latter's field.

Most of the spectators, who will attend the events here, will probably be attracted to the baseball game or to the track meet. The tennis team, however, has been the most successful and most underrated squad among all of Hamilton's intercollegiate teams.

Over the past four years, Coach Mox Weber's netmen have won 23 matches while losing eight, six of which have been to Rochester. Included in this record, is the 1950 slate of six triumphs and only one loss, with today's match at Hartwick also excluded. The highlight of the season, thus far. was last Saturday's 5-4 victory over Rochester. This narrow win marked the first time since 1938 that Hamilton has bested the Yellowjackets and avenged a 6-3 loss which Rochester had dealt the Continentals on houseparty weekend.

The brand of tennis played by Captain Bill Cooper, Jack Banks, Peter Grimm, Larry Wilson, Bob Millspaugh, Jim Farmer, and Howie Brigham may not be the equal of that played by Kramer, Gonzales, etc., nevertheless, the matches are often featured by tight scores, and by sensational volleys from the baselines and at the net.

Take for example, the doubles match between Banks and Wilson and Rochester's Cochrane and Bosworth at houseparty. Banks and Wilson won, 8-6, 6-1, but the first set was very well played, and tense, featuring good placements and hard smashes. Cochrane's tricky service was getting many of Rochester's points in the set, while Banks and Wilson relied on their deft placements to their opponents' weaknesses. Finally, the two Blue aces broke Cochrane's service and after several exchanges at close range, the thrilling set ended.

Tennis is today one of the top attractions in the sports' world, but, Hamilton's players get little support from the students, many of whom go around the campus wishing that they had a winning team to support. However, for four years now, the tennis team has been winning well over the .500 mark, despite the lack of interest in its matches.

Two Teams Beat 'Jinxed' JV Nine

The Junior Varsity baseball team failed to rid itself of the "big-inning" jinx which cost them an 8-7 game at Colgate, and lost to Morrisville, 13-8, last Saturday, and to the Colgate freshmen, 16-3, last Tuesday.

A five-run eighth inning by the Aggies broke an 8-8 deadlock at Morisville last Saturday. Six hits, one a two run triple by third baseman Mirizio, two walks and an error gave the victors their winning margin.

The Blue were losing 2-0 in the second when Pete Sullivan tripled and scored on Bob Brown's infield roller. Losing 5-1 in the third, successive singles by Merrick, Sanborn, and Murray, an error and Sullivan's second hit accounted for three runs.

Blue Seize Lead

The Continentals took a 7-6 lead in the three-run fifth which Ben Merrick led off with a homer. Sanborn walked and Murray singled to center, and both runners advanced when the centerfielder booted the ball. A wild pitch sent Sanborn home, while Mullett's fly to left scored Mur-

Golfers Face Union; Hope To End Season With .500 Average

Hamilton's golf team will be shooting for a .500 record when they close the 1950 season against Union tomorrow after noon at 2:30 on the local course. The hill golfers beat their final opponents 7-2 two weeks ago at Schenectady. The Continentals now sport a 4-5 record by defeating Utica 5-4 last Friday on the hill course and losing to Rochester at Rochester 7-2 last Saturday.

Clint Emery took Pulsifer of Rochester 1 up and Gordie Burton vanquished Elliot 3 and 2 for the only Hamilton points against the Yellowjackets in Saturday's match on Oak Hill Country Club's East Course. Bob Mackay was runner-up for medalist honors with a six over par 77. Both Luers-Emery and Mackay-Gregory on doubles matches forced their opponent's duos to 20 holes before succumbing to identical scores of 1 up.

Pete Wingate led his teammates in the Utica match with a four over par 68 for medalist honors. Mackay defeated Labuz 2 and 1. Bill Luers conquered

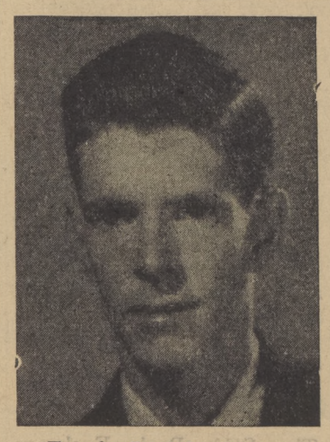
Netmen Victorious In Recent Matches



Tennis Captain Cooper

Rochester, Utica Beaten 5-4, 8-1

By Phil Hills

The surprising Hamilton tennis team added two more victories to their fine record on Saturday and Sunday by beating a strong Rochester squad, then scoring a decisive 8-1 triumph over Utica College. These wins gave the Blue a 6-1 season record, which is one of the best compiled by a Continental team in the last few years.

Hamilton's victory over Rochester was its first since 1938 and it reversed the only loss suffered by the Continentals this season. Jack Banks beat Cochrane of Rochester in a tense 2-6, 6-4, 6-4 duel to avenge a previous setback. Captain Bill Cooper, played a fine brand of tennis won by a clear-cut 6-2, 6-3, margin. Larry Wilson was the other singles winner for the Blue as Pete Grimm, Bob Millspaugh, and Jim Farmer lost.

Banks, Wilson Clinch Win

Banks and Wilson also won their doubles' contest by a 10-12, 6-1, 6-4 score to clinch the match as Cooper and Grimm had won their match before Banks and Wilson took the court. Millspaugh and Brigham also had previously lost to their Rochester opponents.

The Continental netmen swept over Utica as Banks, Cooper, Grimm, Wilson, and Farmer won their singles contests and the doubles matches all went to the powerful Blue strokers.

Hamilton faced Hartwick this afternoon and clashes with Union tomorrow and, judging by comparative records, should dispose of their opponents to round out a very successful season.

Ball Club Defeated By Hartwick, 4-2

Impotency at the plate was once again the byword, as Hamilton's diamond crew bowed humbly to Hartwick College, 4-2, at Oneonta yesterday for its seventh loss in eight outings.

Bernie Jagielski, property of the St. Louis Browns, stood the Continentals on their ears with only four bingles, whiffing five, giving up no walks, and setting the Blue down in order in seven innings.

Hamilton starter Jack Rushmore, charged with the loss and all four runs, pitched creditably until he was derricked in the sixth. Jagielski's triple, a towering 400-foot blast off the center field wall in the Class B Oneonta's park, drove home third baseman Gallmeyer in the two-run outburst.

TDX Takes Softball; Sigs Place Second

The Theta Delta Chi softball team clinched the Intramural Championship yesterday afternoon by winning their tenth straight game as they trounced Delta Upsilon, 15-6. Runner-up honors went to Sigma Phi, who scored six runs in the last of the sixth inning, to squeeze out a 7-5 win over ELS.

Last Monday, in the first round of the deciding games Theta Delt walloped ELS 17-1 to clinch at least a tie for first place, while the Sigs rallied to overcome an 8-0 deficit and hand DU their first loss of the year, 9-8.

On the Seven Oaks Golf Club course, the Blue team encountered some fine golf by the Colgate frosh. Only John Larsen, who squeezed by Don King, one up after twenty holes, could score for the Blue. Don Williams, Hamilton's medalist at 83, lost 5 and 4 to Huber, who fired four-over par 72. Trailing 8-7 in the eighth, the Blue rallied to tie the game on singles by Sweet and Mosier, a walk to Grimley, and a two-out wild pitch by Henggeler. However, the deadlock was short-lived as the Aggies pounded home five runs in their half of the inning

Against Colgate, three walks, a bases-loaded triple by Martin, and an error gave the Red Raiders a 4-0 lead in the first inning, but an eight-run fourth inning proved to be decisive.

Fuller Starts Rally

Losing 4-0 in the second, the Blue scored two runs on one hit, "Red" Fuller's lead-off single. A walk, a fielder's choice, a wild pitch, and an error accounted for the two runs.

Five hits, two by the pitcher Hoff, combined with two walks, and two errors gave the Raiders a tremendous 12-2 lead in the fourth. Hoff struck the big blow with two out by tripling with two men aboard.

The Blue's other run came in the sixth inning when Ben Merrick, who with 'Red'Fuller got four of the Hill's five safeties singled and raced all the way home when leftfielder Don Beals let the ball go through him for a three-base miscue.

All totalled, the Continentals committed eight errors, seven on the left side of the infield, while the pitchers, Rushmore, Brown, and Grimley, yielded 11 hits.

Work Out with the Champs

BEN HOGAN . . . golf
My hair's in "tournament" shape after the Vitalis "60-Second Workout!"

JACK KRAMER . . . tennis
I keep my hair in top-flight form with the Vitalis "60-Second Workout!"

JOE DIMAGGIO . . . baseball
The Vitalis "60-Second Workout" makes my hair look good as a pennant winner!

Want to get your hair in top-notch form? Do what so many leaders in sports and business do. Get Vitalis and take . . .

50 seconds to massage. Feel that invigorating tingle! Vitalis' special formula stimulates, refreshes your scalp as no non-alcoholic dressing does. And massaging with Vitalis routs loose dandruff.

10 seconds to comb. Now there is hair that looks *naturally* well-groomed. No greasy "patent-leather" shine—Vitalis contains no mineral oil. Just *pure vegetable oil* that prevents dryness, keeps hair in place.

Product of Bristol-Myers

the Vitalis "60-Second Workout"
for handsomer, healthier looking hair

P.S. Your barber is an expert. He knows how to keep your hair handsome, stimulate your scalp. Ask him about Vitalis and the individual, sanitary Sealtube application. *Vitalis and Sealtube are Bristol-Myers trade marks.*
